The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations,
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair and Ranking Member,

I am requesting Community Project Funding for Atlantic Cape Community College Dental Hygiene School from the community development account in fiscal year 2024.

The entity to receive funding for this project is Atlantic Cape Community College, located at 50001 Black horse Pike, Mays Landing, NJ, 08330. EIN#: 222393679.

This funding would be used to construct and equip a dental hygiene school and program run at a community college which has long been a pillar of the community.

This project is an appropriate use of taxpayer funds because there is an existing market need to train dental hygienists. Local dentists and healthcare institutions have provided multiple letters of support, demonstrating that this program will provide value to the community.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1), 5305(a)(2).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Van Drew".
