Dear Chair and Ranking Member,

I am requesting Community Project Funding for Radio Road from the Federal Highway Administration account in fiscal year 2024.

The entity to receive funding for this project is Little Egg Harbor Township, located at 665 Radio Road, Little Egg Harbor Township, NJ, 08087.

This funding would be used to construct sidewalk and handicap ramps, crosswalks, roadway widening, and bicycle lanes along Radio Road, over a 3 mile stretch.

This project is an appropriate use of taxpayer funds because the relevant segment of Radio Road has the highest number of pedestrian or bicyclist involved crashes in the area. The requested funding will greatly improve the safety and accessibility of Radio Road, as well as the quality of life of residents.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Van Drew".
