Dear Chair and Ranking Member,

I am requesting Community Project Funding for Atlantic City Airport Rail Station and Cargo Spur from the Transportation, Housing and Urban Development – Consolidated Rail Infrastructure Improvements Account in fiscal year 2025.

The entity to receive funding for this project is South Jersey Transportation Authority, located at 512 Lakeland Rd., Blackwood, New Jersey, 08012.

This funding is a valuable use of taxpayer dollars because it promotes economic development and intermodal infrastructure by designing a new rail station and rail cargo spur that will facilitate travel connections to and from the Atlantic City Airport and support private sector commercial cargo activities.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 22907 of title 49, United States Code.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Van Drew", with a horizontal line drawn through the signature.
