Dear Chair and Ranking Member,

I am requesting Community Project Funding for Salem 911 Communications from the Commerce, Justice, and Science – COPS Tech Account in fiscal year 2025.

The entity to receive funding for this project is Salem County, located at 110 Fifth Street, Salem, New Jersey, 08079.

This funding is a valuable use of taxpayer dollars because this project improves public safety and law enforcement capabilities by supporting Salem County's transition to a modern radio communications system.

The project has a Federal nexus because the funding provided is for purposes authorized by 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. & 10381(b)(8)).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Van Drew", with a long horizontal flourish extending to the right.

Jeff Van Drew

Member of Congress
