The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations,  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chair and Ranking Member,

I am requesting Community Project Funding for Town Bank Pump Station from the Agriculture, Food and Drug Administration – Rural Utilities Service, Water, and Waste Account in fiscal year 2025.

The entity to receive funding for this project is Salem City, located at 17 New Market Street, Salem, New Jersey, 08079.

This funding is a valuable use of taxpayer dollars because it addresses major flooding across four municipalities that are among the lowest-income in New Jersey.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Van Drew".
