The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations,
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger,

I am requesting Community Project Funding from the Emergency Operations Center account in fiscal year 2024.

The entity to receive funding for this project is the Atlantic City International Airport Fire Department, located at 101 Atlantic City International Airport, Egg Harbor Township, NJ, 08234.

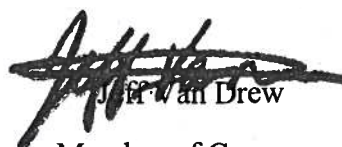

This funding would be used for the relocation of the existing EOC to the second floor to improve vantage, renovations to accommodate this relocation, and the purchase of equipment including IT Server routers, monitors, and furniture.

This project is an appropriate use of taxpayer funds because the proposed project will greatly increase the Atlantic City International Airport Fire Department's effectiveness in the command, control, response, liaison, and mitigation of emergency incidents involving the numerous federal facilities they protect as well as ACY airport responses.

The project has a Federal nexus because the funding provided is for purposes authorized by the Stafford Act (42 U.S.C. § 5122(4),(6),(8)).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jeff Van Drew
Member of Congress
