Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for Woodbine Bikeway and Trailhead improvements in surface transportation reauthorization legislation.

The project sponsor for this project is the Borough of Woodbine and the project is located at CR550, Woodbine, NJ, 08270.

The funding is designated for construction of features including adding rest areas, constructing switchback ramps, adding ingress and egress points, installing mileage markers, installing wayfinding signage, paving 2,400 feet of gravel path on the westerly end, and paving and widening 4,400 feet of existing path on the easterly end.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits:

- Accommodation of increased usage of the bikeway facilities.
- Safety improvements for bicyclists and pedestrians.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jefferson Van Drew', with a long horizontal flourish extending to the right.
