Dear Chair and Ranking Member,

I am requesting funding for the Simulcast Broadcast system from the Pre-Disaster Mitigation Account. The entity to receive this funding is the Cape May County Office of Emergency Management located at 4 Moore Road, Cape May Court House, NJ 08210.

This project is an excellent use of taxpayer funds. New Jersey has a history of being hit with serious storms, such as Super Storm Sandy and the derecho. This funding will be used to improve the emergency broadcast system to ensure that community residents are notified of approaching storm threats and given the proper instruction to evacuate in a timely manner.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
