The Honorable Kay Granger  
Ranking Member  
Committee on Appropriations,  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger,

I am requesting Community Project Funding for Chestnut Avenue Safety Improvements from the Highway Infrastructure Program account for fiscal year 2023.

The entity to receive funding for this project is the City of Vineland Public Works Department, located at 1086 E Walnut Road, Vineland, NJ, 08360.

This funding would be used to implement a road diet and resurfacing on one of the most dangerous roads in Cumberland County, NJ. This project is an eligible and prudent use of taxpayer funds. The project will enhance bicycle and pedestrian safety, stimulate economic development, improve the quality of life, and enhance important transportation infrastructure in the SJTPO region. These infrastructure and safety improvements will improve mobility and access, helping to restore community connectivity within the City of Vineland and prioritize safety.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Van Drew", with a long horizontal flourish extending to the right.
